

Minnesota Women's Soccer League
Accessing Your Team's Roster

All teams must have a paper roster to present to the referee before the start of the game.

1. To print your roster, access your Team Connect page. Either go to <http://mwsl.org/home.php>, login and click the blue button that says "Team Page" or visit www.team.stacksports.com and login.
2. Click "Schedule" on the left-hand side
3. Click on the game, on the date you want to print
4. Click "Game Day Roster" in the upper middle of your screen. You will then be able to choose who you want to place on your roster. If you'd like to add guest players, click "Add Guest Players" and type in their name. Click the plus sign to populate their name and then check the box next to their name to add them to the roster.
5. Print the roster and bring it to your game for the referee to use at check in. Failure to do so is subject to a \$5 for the team.
 - You will see a spot on the roster for both guest players and write-ins. **Only 4 guest players and 4 write-ins are allowed per game**
